## 2015 Dynamite Vineyard Gewürztraminer

### Vineyard & Winemaking Notes

When this vineyard was originally planted, dynamite had to be used to break up the rock to pound posts. From one of the largest plantings of Gewürztraminer in the Finger Lakes, come grapes grown on a well-drained hillside that ripen faster than many other Gewürztraminer blocks. This wine was 45% barrel fermented and aged two months in old oak, a unique treatment that balances the mouth feel and emphasizes the depth of aromatics. Substantial weight in the mouth leaves a wine that finishes light on its feet.
