## 2015 Riesling

### Vineyard & Winemaking Notes

As has been the case with Keuka Spring Vineyards Riesling for many years, we work with three different growers for our classic Riesling, all based on Seneca lake. By blending wines with fruit from different sites, we have created a wine which is an exemplar of this region. 2015 was a moderate vintage without weather or temperature extremes.

### Tasting Notes

Tropical fruit aromatics are complimented by the tangy spritz of blood orange on the palate. Concentrated and complex, the wine rewards time spent allowing it to blossom in the glass. This wine is pleasingly and surprisingly dry for the style.

### Suggested Food Pairings

Roasted squab, pork tenderloin, or Caesar salad.
