

Keuka Spring Vineyards

2015 Semi Sweet Riesling

Vineyard & Winemaking Notes

Fruit came from three different vineyards on the east and west sides of Seneca Lake. The separate vineyard lots were combined and co-fermented in tank and 9% in neutral oak. The different components of this wine underwent a long and slow fermentation using the *pied-de-cuve* technique, which gives richness and weight. Enjoy as this wine blossoms through its aging process.
