

Keuka SPRING

2020 Bubbly Vignoles

Vineyard & Winemaking Notes

We have been growing *Vignoles* for many years for its unique citrus and tropical fruit flavors, and its affinity for vibrant, expressive wines. Head winemaker Lynne Fahy's saw in our 2020 *Vignoles* harvest the potential for a delicious sparkling wine. She fermented the juice in tanks without malolactic conversion to preserve the bright fruit flavors and crispness on the palate. The result is this delightfully refreshing wine.
